
Surface engineering of Ag₃PO₄ using lithium iodide for enhanced photocatalytic activity

Title	Surface engineering of Ag ₃ PO ₄ using lithium iodide for enhanced photocatalytic activity
Abstract	
Authors	MHGT Aji, U Sulaeman, WT Cahyanto, R Larasati, H Diastuti, P Iswanto, ...
Journal Name	Surfaces and Interfaces 46, 104097, 2024
Publish Year	2024
Citation	2
