

Analysis of raw material supplier selection using step-wise weight assessment ratio analysis and combined compromised solution methods (A case study)

Title	Analysis of raw material supplier selection using step-wise weight assessment ratio analysis and combined compromised solution methods (A case study)
Abstract	
Authors	MD Fadhilah, M Krisnawati, I Prakoso, A Sofiana
Journal Name	AIP Conference Proceedings 2952 (1), 2024
Publish Year	2024
Citation	(not set)
