

Analysis of Aceclofenac, Ketorolac, and Sulindac in Human Urine Using the Microemulsion Electrokinetic Chromatography Method

Title	Analysis of Aceclofenac, Ketorolac, and Sulindac in Human Urine Using the Microemulsion Electrokinetic Chromatography Method
Abstract	
Authors	D Hermawan, I Mohd Yatim, WA Wan Ibrahim, AS Abdul Keyon, Cacu, ...
Journal Name	Analytica 5 (3), 431-439, 2024
Publish Year	2024
Citation	(not set)
