
On the -boundedness of solution operators for a compressible fluid model of Korteweg type in general domains

Title	On the -boundedness of solution operators for a compressible fluid model of Korteweg type in general domains
Abstract	
Authors	S Maryani, M Murata
Journal Name	arXiv preprint arXiv:2503.05352, 2025
Publish Year	2025
Citation	(not set)
