

Neodymium ions activated barium ferrite composites for microwave X-band absorber applications: Synthesis and characterizations

Publication Name	Composites Communications
Quartile	1
Creator	Widanarto W.
Page	51-55
Issn	24522139
Volume	19
Cover Date	2020-06-01
Cover Display Date	June 2020
Doi	10.1016/j.coco.2020.02.008
Citedby Count	12
Aggregation Type	Journal
